A group of trade association professionals request a meeting with OSWER AA Stanislaus to discuss EPA's position/thoughts on the Executive Order on Chemical Safety and Security. Specifically we would like to discuss possible changes to the Risk Management Plan (RMP) list of chemicals and developing Inherently Safer Technology regulations. Attendance at the meeting will include representatives from the following trade associations:

American Fuel and Petrochemical Manufacturers (AFPM) American Chemistry Council (ACC) American Petroleum Institute (API) National Association of Chemical Distributors (NACD) Society of Chemical Manufacturers and Affiliates (SOCMA) International Liquid Terminal Association (ILTA)

Currently our calendars are open to meet on the following dates:

Dec. 12th—afternoon (2 PM)
Anytime on Dec. 17-20th

We appreciate taking time to meet with us and look forward to discussing these important topics together.

Our building is the EPA West building located at 1301 Constitution Ave., NW in Washington, DC. It is on the corner of 14th and Constitution. Upon entering the building, please sign in at the guard's desk and give them our main office number, 202-566-0200. Someone will be down to get you.

If coming by metro, it is the Federal Triangle stop. When coming up out of the Federal Triangle metro escalators, you will want to head straight towards the courtyard area and then bear to the left toward Constitution Ave. When you reach Constitution Ave., you will bear to the right to get to the front of our building. If you can see the Washington Monument, you are headed in the right direction.

Please note the location change.

Hello,

Rand Beers mentioned your interest in discussing the Chemical Executive Order 13650: Improving Chemical Facility Safety and Security. Given the level of interest expressed in this topic, we invite you and your colleagues to participate in a meeting on **Monday, April 28th from 2 – 3 p.m.** in Arlington, VA.

Where:

DHS, Office of Infrastructure Protection

1110 N. Glebe Road

Room: 1128

Arlington, VA 22201

Due to conference room size, we will be able to accommodate as many as 6 people from each of your organizations – American Chemistry Council, Society of Chemical Manufacturers and Affiliates; The Fertilizer Institute; National Association of Chemical Distributors; and American Fuel and Petrochemical Manufacturers.

Also joining the meeting will be representatives from the White House National Security Council Staff, including Rand Beers, White House Office of Environmental Quality, U.S. Department of Homeland Security, the Environmental Protection Agency, and the Occupational Safety and Health Administration. Please let us know by **Monday, April 21** what topics you'd like to discuss.

We sincerely hope this timing and arrangement is acceptable to you and ask that you kindly confirm participation with my Executive Assistant, Adam Smith (703-235-8176) by the end of the workday **Wednesday, April 23**. Please include all attendees' first and last names and their organization.
